The capacity of the International Atomic Energy Agency to acquire and dispose of immovable property shall be exercised with due regard to national laws and regulations.

Article X section 34:

With regard to the competence of the International Court of Justice in disputes concerning the interpretation or application of the Convention, the Government of Indonesia reserves the right to maintain that in every individual case the agreement of the parties to the dispute is required before the Court for a ruling.

Article VI section 18:

The concessions and privileges conferred by the Agreement on the employees of the Agency, other than those which also follow from Article XV of the Statute, such as immunity from legal process in respect of words spoken or written and all acts performed by them in their official capacity, should not be admissible to the Indonesian Nationals serving on the staff of the Agency in Indonesia.”

⁵⁾ Onder het volgende voorbehoud:

“The German Democratic Republic does not consider itself bound by the provisions of Section 26 and 34 of the Agreement, under which there is an obligation to submit to the jurisdiction of the International Court of Justice. With regard to the competence of the International Court of Justice in respect of disputes arising out of the interpretation or application of the Agreement, the German Democratic Republic holds the view that the consent of all parties involved in a dispute must be obtained in each individual case before the dispute can be referred to the International Court of Justice for settlement.

⁶⁾ Onder het volgende voorbehoud:

“The Mongolian People’s Republic does not consider itself bound by the provisions of Section 26 and 34 of the Agreement concerning the jurisdiction of the International Court of Justice. The Mongolian People’s Republic considers that any dispute arising out of the interpretation and application of the Agreement should be referred to the International Court of Justice with the consent of all parties to the dispute in each individual case. This reservation applies equally to the provision of Section 34 which states that the opinion given by the Court shall be accepted as decisive by the parties.”

De Regering van Mongolië heeft op 18 juni 1990 bovengenoemd voorbehoud ingetrokken.

With regard to the competence of the International Court of Justice on such matters, Cuba holds that for a difference to be referred to the Court for settlement the consent of all parties involved must be obtained in each particular case.”

H. TOEPASSELIJKVERKLARING

Zie *Trb.* 1965, 49¹⁾.

¹⁾ De Regering van de Duitse Democratische Republiek heeft bij de bekragting van de Overeenkomst op 30 oktober 1974 de volgende verklaring afgelegd:

“As regards the application of the Agreement to West Berlin, the German Democratic Republic maintains, in accordance with the Quadripartite Agreement of 3 September 1971 between the Governments of the Union of Soviet Socialist Republics, the United Kingdom of Great Britain and Northern Ireland, the United States of America and the French Republic, that West Berlin is not a part of the Federal Republic of Germany and may not be governed by it. The declaration of the Federal Republic of Germany to the effect that the Agreement on the Privileges and Immunities of the International Atomic Energy Agency should apply also to West Berlin conflicts with the Quadripartite Agreement, in which it is established that treaties concerning questions of security and status may not be extended to West Berlin by the Federal Republic of Germany.”

De Regering van *het Verenigd Koninkrijk van Groot-Brittannië en Noord-Ierland* heeft, mede namens de Regering van Frankrijk en de Verenigde Staten

van Amerika, op 5 augustus 1975 de volgende mededeling gedaan met betrekking tot de hierboven afgelegde verklaring:

“The communication noted above contains a declaration which refers to the Quadripartite Agreement of the 3rd of September 1971. This Agreement was concluded in Berlin between the Governments of the French Republic, the Union of the Soviet Socialist Republics, the United Kingdom of Great Britain and Northern Ireland and of the United States of America. The Government making the declaration is not a Party to the Quadripartite Agreement and is therefore not competent to make authoritative comments on its provisions. The Governments of the three Powers wish to bring the following to the attention of the State parties to the Agreement on the Privileges and Immunities of the International Atomic Energy Agency. When authorising the extension of this Agreement to the Western Sectors of Berlin those three Powers acting in exercise of their supreme authority ensured in accordance with established procedures that this Agreement would be applied in the Western Sectors in Berlin in such a way as not to affect matters of security and status.

Accordingly, the application of this convention to the Western Sectors of Berlin continues in full force and effect.

The Governments of the three Powers do not consider it necessary to respond to any further communications of a similar nature by States which are not signatories to the Quadripartite Agreement. This should not be taken to imply any change in the position of the Governments of the three Powers on this matter.

The Permanent Mission of the United Kingdom of Great Britain and Northern Ireland would be grateful if the foregoing could be communicated to all members of the International Atomic Energy Agency who received the Director General's Circular Note containing the GDR declaration under reference.”

De Regering van de Bondsrepubliek Duitsland heeft op 15 oktober 1975 de volgende mededeling gedaan:

“The Permanent Mission of the Federal Republic of Germany to the International Organizations in Vienna presents its compliments to the Director General of the International General's circular note No. L/230-A of 3 December 1974 regarding the deposit by the German Democratic Republic of an instrument of acceptance to the Agreement on the Privileges and Immunities of the International Atomic Energy Agency.

With regard to this note the Permanent Mission has the honour to communicate the following:

By the Note Verbale of 5 August 1975 from the Permanent Mission of the United Kingdom of Great Britain and Northern Ireland to the International Atomic Energy Agency, disseminated by the Director General's circular note L/230-A of 17 September 1975, the Governments of the United Kingdom, France and the United States of America answered the assertions made in the declaration contained in the communication referred to above. The Government of the Federal Republic of Germany, on the basis of the legal situation set out in the note of the Three Powers, wishes to confirm that the application in Berlin (West) of the above-mentioned Agreement, extended by it under the established procedures, continues in full force and effect.

The Government of the Federal Republic of Germany wishes to point out that the absence of a response to any further communications of a similar nature should not be taken to imply any change of its position on this matter.

The Permanent Mission of the Federal Republic of Germany would be grateful if the foregoing could be communicated to all members of the International Atomic Energy who received the Director General's circular note NO. L/230-A containing the GDR declaration under reference.”
