a) The Socialist Republic of Romania declares that, in accordance with article 11, paragraph 1, of the European Agreement supplementing the Convention on Road Traffic opened for signature at Vienna on 8 November 1968, and with article 11, paragraph 1, of the European Agreement supplementing the Convention on Road Signs and Signals opened for signature at Vienna on 8 November 1968, it does not consider itself

bound by article 9 of the two Agreements, under which any dispute between two or more Contracting Parties which relates to the interpretation or application of the Agreements and which is not settled by negotiation is to be referred to arbitration if any of the Parties so requests.

It is the position of the Socialist Republic of Romania that such disputes may be referred to arbitration only with the consent of all the Parties in dispute in each individual case.

Declaration made upon signature:

b) The Council of State of the Socialist Republic of Romania considers that the provisions of article 2 of the European Agreement supplementing the Convention on Road Traffic opened for signature at Vienna on 8 November 1968, and article 2 of the European Agreement supplementing the Convention on Road Signs and Signals opened for signature at Vienna on 8 November 1968, are not in keeping with the principle that multilateral international treaties whose aim and purpose affect the international community as a whole should be opened to universal participation.

Declaration made upon signature and confirmed upon ratification:

c) The Council of State of the Socialist Republic of Romania feels that the maintenance of a dependent status for certain territories to which reference is made by the provisions of article 3 of the European Agreement supplementing the Convention on Road Traffic opened for signature at Vienna on 8 November 1968, is not in keeping with the Charter of the United Nations or with the documents adopted by the United Nations concerning the granting of independence to colonial countries and peoples, including the Declaration on Principles of International Law concerning Friendly Relations and Co-operation among States in accordance with the Charter of the United Nations, which was unanimously adopted in General Assembly resolution 2625 (XXV) of 24 October 1970 and which solemnly proclaims the duty of States to promote realization of the principle of equal rights and self-determination of peoples in order to bring a speedy end to colonialism.

Ad article 11, paragraph 1 a)

Switzerland reserves the right to enact, in its domestic legislation, regulations specifying that cyclists and motorcyclists may still overtake a line of motor vehicles on the right.

Ad article 18, paragraph 3

Switzerland applies article 18, paragraph 3, in accordance with the in number 15 of the annex to the European Agreement of 1 May 1971 supplementing the Convention on Road Traffic.

Switzerland recognizes in international traffic all registration certificates issued by the Contracting Parties according to chapter III of the Convention, when such certificates do not prohibit the admission of the vehicles to the territory of the State that issued the certificates.

Ad annex 1, paragraph 1

According to annex 1, paragraph 1, a Contracting Party may refuse to admit to its territory in international traffic only motor vehicles, trailers and combinations of vehicles whose overall weight or weight per axle or dimensions exceed the limits fixed by its domestic legislation. Switzerland therefore considers any application of this paragraph by Contracting Party to refuse admission in international traffic to motor vehicles, trailers and combinations of vehicles whose overall weight or weight per axle or dimensions do not exceed the limits fixed by its domestic legislation to be inconsistent with the principles of territoriality and non-discrimination implicit in annex 1, paragraph 1; such cases, Switzerland reserves the right to take all appropriate measures to defend.
