## B. TEKST

Op 3 oktober 2018 is tijdens de eerste Vergadering van de International Solar Alliance (ISA), gehouden van 2 tot 5 oktober 2018 in New Delhi, in overeenstemming met artikel XI van de Kaderovereenkomst, een wijziging van de Kaderovereenkomst aangenomen. De Engelse tekst<sup>1)</sup> van de Resolutie waarin de wijziging is opgenomen luidt als volgt:

### **Resolution from India for Amendment to the Framework Agreement of the International Solar Alliance**

Recalling that the International Solar Alliance (ISA), launched on 30 November 2015 became a treaty based international intergovernmental organization on 6 December 2017.

Noting that in a short span 70 prospective member countries have already signed the ISA treaty and of these 44 countries have ratified the same.

Recognizing that solar energy has a major role in achieving the sustainable development goal to “ensure access to affordable, reliable, sustainable and modern energy for all”.

Recognising that access to solar energy is essential for achieving the Sustainable Development Goals, universal energy access at affordable rates, energy security and also would help to reduce poverty and improve the conditions and standard of living for the majority of the world’s population, especially of women.

Realizing that the ISA initiative should benefit the world at large and should not be restricted to the countries lying either fully or partially between the Tropics of Cancer and Capricorn.

India propose a Resolution for the following Amendments to the ISA Framework Agreement for expanding the scope of membership of ISA to all countries that are members of United Nations.
