

Announcement regarding the mooring of vessels at the municipality of Wassenaar:

How to apply for a berth:

In Wassenaar is not allowed to place a vessel in a berth without the consent of "the water sports association Wassenaar". In order to apply for a berth, please contact:

Watersportvereniging Wassenaar, via the website: <https://www.wassenaar.nl>

Legal enforcement regarding illegally placed vessels:

The local regulations named "Algemene Plaatselijke Verordening Wassenaar 2024" contain rules regarding allotted mooring of vessels: articles 5:25 tot en met 5:27.

Please be informed the municipality is allowed to take measures against illegal mooring of vessels.

In such cases the vessel will be taken out of the water by towing company "BRL" and transported to the BRL storage centre at Leiden. All this happens at the expence of the offender.

In order to avoid high costs, please obtain the local regulations.

More info about allotted mooring of vessels:
