

Toegelaten speelautomaten

Krachtens artikel 30.m van de Wet op de kansspelen (WOK) moeten alle speelautomaten op de Nederlandse markt behoren tot een toegelaten model. De Minister van Justitie geeft hiertoe een 'Verklaring van Toelating' (VVT) af. Hiervan moet melding gemaakt worden in de Staatscourant.

Tussen 1 juli 2007 en 31 december 2007 is een verklaring van toelating verleend met betrekking tot de volgende modellen:
