#### IV. BESLISSINGEN (Decisions)

##### 1. VERLENING VAN KWEKERSRECHT EN INSCHRIJVING VAN RAS EN BENAMING IN HET NEDERLANDS RASSENREGISTER (UPOV)

*(Grants of Plant Breeders' Rights and registration of a variety and its denomination in the Dutch Variety Register (UPOV))*

Noot: De Raad wijst er met nadruk op, dat teeltmateriaal van ingeschreven rassen ingevolge artikel 46, eerste lid, van de Zaaizaad- en plantgoedwet 2005 slechts onder de ingeschreven benaming in het verkeer gebracht en verder verhandeld mag worden. De handelsnaam of het merk mag vanzelfsprekend ook gevoerd worden, doch niet in plaats van de rasbenaming.

(The Board emphasizes that in accordance with art. 46, par. 1. of the Seeds and Plantmaterial Act 2005 the use of the registered variety denominations is obligatory in case of marketing or trade and commerce of propagating material of registered varieties.

Businessname or trade mark may be used, but not in the place of the variety denomination.)

## VI. BEËINDIGING VAN KWEKERSRECHT EN TOELATING

### (Termination of Plant Breeders' Right and delition from the National List)

Er wordt met nadruk op gewezen dat, ondanks beëindiging van Nederlands kwekersrecht, in Nederland op basis van het Communautair kwekersrecht (nog) rechten kunnen gelden. Ned. Benaming De Raad adviseert daarom dringend het 'Mededelingenblad van het Communautair Bureau voor (Dutch name of the species) Plantenrassen' te raadplegen, dan wel het Communautair Bureau om inlichtingen te vragen.
