## COMPETENT AUTHORITY AGREEMENT BETWEEN THE COMPETENT AUTHORITIES OF GERMANY AND THE NETHERLANDS

**With respect to the Mutual Agreement of 6 April 2020 ("the Mutual Agreement") between the Competent Authorities of Germany and the Netherlands according to the first sentence of paragraph 3 of article 25 of the Convention between the Federal Republic of Germany and the Kingdom of the Netherlands for the avoidance of double taxation signed on 12th of April 2012 as amended by protocol signed on 11th of January 2016 ("the Convention")**

The duration of the Mutual Agreement was extended until 30 June 2021 by the agreement between the Competent Authorities of Germany and the Netherlands of 10 March 2021.

In number 2, the Mutual Agreement addresses the application of paragraph 1 of Article 14 of the Convention in respect of days spent working at home solely due to the measures taken to combat the coronavirus ("COVID-19") pandemic by the German or Dutch Government or their local subdivisions. Given the current measures taken in response to the COVID-19 pandemic, and to prevent its propagation, the Competent Authorities of Germany and the Netherlands have come to the following understanding:

1. The Mutual Agreement shall remain applicable until at least 30 September 2021.
2. Given that the Mutual Agreement is an exceptional and temporary measure, the Competent Authorities of Germany and the Netherlands will evaluate the COVID-19 pandemic situation in due time and will consult each other in order to decide on the further duration of the application of the Mutual Agreement.

It is understood that number 3 of the Mutual Agreement contains a clarification of how to interpret the Convention. Furthermore, number 4 of the Mutual Agreement refers to a unilateral measure by the Netherlands. The validity of both number 3 and number 4 is not dependent on the duration of the application of the Mutual Agreement.

This Competent Authority Agreement will be published in the Dutch Government Gazette (in Dutch: "Staatscourant") and the German Federal Tax Gazette (in German: "Bundessteuerblatt").

Agreed by the undersigned competent authorities on 25 June 2021:

*For the Competent Authority of Germany  
S. Bruns  
Head of Division Federal Ministry of Finance of Germany*

*For the Competent Authority of the Netherlands  
R. Janssen  
Director International Tax and Consumer Tax Ministry of Finance of the Netherlands*
