Eelco van der Lingen, Mondriaan Fonds te Amsterdam

Gelet op artikel 15, lid 1 onder a. Archiefwet 1995, artikel 10 van het Archiefbesluit 1995 en het advies van het Nationaal Archief d.d. 3 februari 2025 met kenmerk 49720539.

Het gaat om inventarisnummers met o.a. gewone persoonsgegevens van (mogelijk) nog levende personen.

Met het oog op de eerbieding van de persoonlijke levenssfeer zijn de inventarisnummers, genoemd in de eerste kolom van tabel 2 in de bijlage, beperkt openbaar tot 1 januari van het jaar, genoemd in de tweede kolom. Het gaat om inventarisnummers met o.a. bijzondere persoonsgegevens van (mogelijk) nog levende personen.

Artikel 2

Raadpleging of gebruik van de archiefbescheiden geborgen onder de inventarisnummers genoemd in artikel 1, is, tot openbaarwording, uitsluitend mogelijk na voorafgaande schriftelijke toestemming van de algemene rijksarchivaris. Deze toestemming wordt verleend volgens de bij het Nationaal Archief geldende procedure voor het gebruik van beperkt openbare archieven. Alleen schriftelijke verzoeken tot raadpleging worden in behandeling genomen. De algemene rijksarchivaris kan aan zijn toestemming voorwaarden verbinden.

Artikel 3

De termijn voor het indienen van een bezwaarschrift bedraagt zes weken. De termijn vangt aan met ingang van de dag na de datum van uitgifte van de Staatscourant waarin het besluit is geplaatst.

TOELICHTING

Het archief bestaat hoofdzakelijk uit subsidiedossiers behorende bij de taakuitvoering van de Stichting Fonds voor Beeldende Kunsten, Vormgeving en Bouwkunst. Deze dossiers bevatten gewone persoonsgegevens. Voor deze dossiers wordt een beperking van 100 jaar na geboorte gehanteerd bij inventarisnummers waarbij de geboortedatum bekend is. Dit is bij nagenoeg alle subsidiedossiers het geval. Er wordt een beperking van 75 jaar na sluiten dossier aangegeven bij inventarisnummers waarbij er geen geboortedatum bekend is, omdat men ervan uit kan gaan dat betrokken personen dan zijn overleden.

Het overige deel bestaat uit directie- en bestuursarchief van de Stichting Fonds voor Beeldende Kunsten, Vormgeving en Bouwkunst en directie- en bestuursarchief van de Mondriaan Stichting. Het gaat hierbij onder andere om bestuursstukken, jaarverslagen, beleidsplannen, agenda's met bijlagen, verslaglegging van vergaderingen, commissieverslagen, bezwaarschriften en correspondentiemateriaal. In sommige van deze stukken komen bijzondere persoonsgegevens voor. Voor deze dossiers wordt een beperking van 75 jaar na sluiten dossier gehanteerd, omdat hier geen geboortedatum bekend is.

Motivering afwijking advies Nationaal Archief

Het advies van het Nationaal Archief t.a.v. de voorgestelde openbaarheidsbeperkingen is grotendeels overgenomen. Ten aanzien van het directie- en bestuursarchief van het Fonds voor Beeldende Kunst, Vormgeving en Bouwkunst en de Mondriaan Stichting wordt er bij de onderstaande inventarisnummers afgeweken van het advies.

Het Nationaal Archief adviseert om aan de stukken met inventarisnummer 246 t/m 279 en 481 t/m 499 geen beperking toe te kennen, omdat er vanuit de beschrijvingen van de inventaris niet valt af te leiden dat in deze inventarisnummers gewone persoonsgegevens voorkomen.

Extra naar aanleiding van dit advies uitgevoerde controles hebben aangetoond dat deze persoonsgegevens er wel zijn en dat deze tot de identificatie van natuurlijke personen kunnen leiden. Er is daarom gekozen om de aangegeven beperking van 75 jaar na sluiten dossier te handhaven op de stukken met inventarisnummers 246 t/m 279 en 481 t/m 499. Dit is in lijn met de eerbiediging van de persoonlijke levenssfeer en artikel 15 van de Archiefwet.

Dit besluit is getoetst bij de Functionaris Gegevensbescherming van het Mondriaan Fonds.
