Op 25 November en 5 December 1953 zijn te Oslo nota's gewisseld tussen de Nederlandse en de Noorse Regering nopens het handelsverkeer gedurende het jaar 1954. De tekst van deze nota's luidt als volgt:

## No. I

No. 4066

## Oslo, November 25, 1953

Sir,

I have the honour to refer to the notes exchanged between our two Governments at Oslo on 27 December, 1952, and 7 January, 1953, concerning the exchange of goods between the two countries for the year 1953 within the framework of the Trade Agreement signed at Oslo on 28 January, 1947.

As it would appear desirable to enter into an arrangement for the exchange of goods for the year 1954, I have received instructions to inform Your Excellency that the Netherlands Government, although willing to enter into negotiations, would favour renewal of the current arrangement on the understanding that all the provisions laid down in the abovementioned exchange of notes and the pertinent recommendations of the Joint Commission of 6 December, 1952, with regard to the exchange of goods between the Netherlands and Norway in the year 1953, shall also apply to the exchange of goods between the two countries during the period of 1 January, 1954, up to 31 December, 1954, inclusive, provided agreement can be arrived at with regard to the following modifications:

1) Fatty acids:

To include in List I (being the enumeration of the exports from Norway to the Netherlands) an additional item under No. 10 A, to read:

"10 A. Fatty acids (tariff items No. 109000, 109001, 109002 and 109003) ...... N.Kr. 200.000"

2) Nursery products:

To alter in List II (being the enumeration of the exports from the Netherlands to Norway) under No. 12, Nursery products, the figure N.Kr. 300.000 to N.Kr. 500.000.

If the Norwegian Government are prepared to accept the foregoing provisions, I have the honour to suggest that the present Note and Your Excellency's reply to that effect should be regarded as constituting an arrangement between our two Governments, which shall enter into force on the 1st day of January, 1954, for a period of one year.

The application of the arrangement constituted by the exchange of these Notes to Surinam and the Netherlands Antilles shall be subject to the approval of the Governments of the two Territories concerned. This approval shall be understood to have been given if the Netherlands Government have not notified the Norwegian Government to the contrary three months after the conclusion of the present arrangement.

I avail myself of this opportunity to renew to Your Excellency the assurance of my highest consideration.
