Subject: Agreement between the Government of the Netherlands Antilles* and the United Nations Educational, Scientific and Cultural Organization concerning the Fourth Session of the IOC Association for the Caribbean and Adjacent Regions (IOCARIBE) and the First Session of the IOC Sub-Commission for the Caribbean and Adjacent Regions (Netherlands Antilles, 15-25 August 1984)

Sir,

I have the honour to refer to your letter 8339/JAZ dated 4 November

*) Acting on behalf of the Kingdom of the Netherlands.

1983, by which you kindly conveyed your Government's offer to host the above-mentioned meeting.

I wish to express my warm thanks to your Government for this offer, which I have pleasure in accepting on behalf of the Organization.

A. Nature and scope of the meetings

The meetings are convened pursuant to resolution 10.1 adopted by the General Conference at its twenty-second session and in accordance with the corresponding work plan (Approved Programme and Budget for 1984-1985, paragraph 10469). Their purpose is to review progress in the implementation of IOC/IOCARIBE programmes and projects, and to determine future activities and the development of related services.

Under the "Regulations for the general classification of the various categories of meetings convened by Unesco", adopted by the General Conference at its fourteenth session (14 C/Resolution 23), these meetings are considered as falling within Category II "Intergovernmental meetings other than international conferences of States".

B. Participation

(i) Chief participants

The chief participants will be representatives of IOC Member States participating in IOC/IOCARIBE.

(ii) Representatives and observers

(a) Member States and Associate Members of Unesco as well as Member States of the Intergovernmental Oceanographic Commission other than those mentioned above may, if they wish, send representatives to the meetings.

(b) The United Nations, the organizations of the United Nations system and other intergovernmental organizations with which Unesco has concluded mutual representation agreements may send representatives to the meeting if they so desire.

(c) A number of international non-governmental organizations especially competent in the subject matter of the meeting will be invited to send observers.

The total number of participants, including representatives, observers and members of the Unesco Secretariat, is expected to be about 100.

I have the honour to submit for your consideration the customary proposals regarding arrangements for the holding of these meetings.

I. Place and date of the meetings

The meetings will take place in Curaçao from 15 to 25 August 1984.

II. Organization of the meetings

The responsibility for the technical and material organization of the meetings shall be shared by the competent host authorities and Unesco, on the basis of the attached statement of requirements. However, nothing in the provisions of this letter shall prevent the two parties from mutually agreeing to make such adjustments as may be desirable to ensure the proper organization of the meetings.

In order to facilitate the organization of the meetings, the Government of the Netherlands Antilles shall, upon signature of the present agreement, designate a senior official to be responsible, on its behalf and with due authority, for liaison with the Secretariat of the Intergovernmental Oceanographic Commission of Unesco, and for the installation and operation of the various services to be provided at the place of the meetings. All matters concerning the technical and material organization of the meetings may from then on be handled through the liaison officer thus appointed.

III. Privileges and immunities

The Government of the Netherlands Antilles shall apply, in all matters relating to these meetings, the provisions of the Convention on the Privileges and Immunities of the Specialized Agencies of the United Nations as well as Annex IV thereof. In particular, the Government shall ensure that no restriction is placed upon the entry into, sojourn in, and departure from the territory of the Netherlands Antilles of all persons, of whatever nationality, entitled to attend the meetings by virtue of a decision of the appropriate authorities of Unesco and in accordance with the Organization's pertinent rules and regulations.

IV. Damage and accidents

As long as the premises reserved for the meetings are at the disposal of Unesco, the Government of the Netherlands Antilles shall bear the risk of damage to the premises, facilities and furniture and shall assume and bear all responsibility and liability for accidents that may occur to persons present therein. However, the authorities of the Netherlands Antilles shall be entitled to adopt appropriate measures to ensure the protection, particularly against fire and other risks, of the above-mentioned premises, facilities, furniture and persons. They may also claim from Unesco compensation for any damage to persons and property caused by the fault of staff members or agents of the Organization.

If, as I hope, the above proposals are acceptable to you, I should be

grateful if you would sign both copies of this letter and return one to me at your earliest convenience.

Upon signature by both parties, the present letter shall constitute the Agreement between the Government of the Netherlands Antilles* and Unesco in respect of these meetings.

The Agreement shall remain in force for the duration of the meetings and for such additional period as is necessary for the winding up, such period not to exceed one year.

Accept, Sir, the assurances of my highest consideration.
