B. TEKST

Nr. I

INTERNATIONAL ATOMIC ENERGY AGENCY

1988-03-21

E1-RC-385

Sir,

I have the honour to inform you that the Secretariat of the International Atomic Energy Agency is planning to hold a Research Co-ordination Meeting (RCM) on "Immunodiagnostic techniques for the quantitative determination of circulatory and urinary parasite derived antigens in human schistosomiasis", from 26 to 30 September 1988.

The purpose of the meeting is to review the research carried out under the co-ordinated research programme on the subject; and to formulate a work plan for the next year.

The duration of the meeting will be approximately one week. 10 persons from 10 Member States as listed in the Annex, are expected to attend the meeting. The working language of the meeting will be English and no interpretation will be provided.

I have the honour to enquire whether your Government would wish to host the meeting in question, in which event the Government would be expected to make the following arrangements:

1. With regard to the meeting the Agreement on the Privileges and Immunities of the IAEA of 1st July 1959 shall apply.

2. The Government of the Netherlands shall grant free of charge visas and necessary facilities to the participants of the meeting.

3. The Government of the Netherlands shall exercise all reasonable care to ensure security on the premises in which the meeting takes place and to ensure the safety of the officials of the Agency and participants concerned while on such premises. The Government shall take whatever steps may be reasonably required in the circumstances to ensure such security and such safety, including such supervision of the premises as may be warranted.

4. The Government shall make available to the Agency, without charge, and for the entire duration of the meeting, premises and facilities adequate and appropriate for the meeting.

The Agency shall inform the Government promptly of all persons officially designated to attend the meeting. The Agency shall also advise such persons to apply for visas, if necessary, in good time before the opening date of the meeting, and the Government is expected to issue such visas promptly so as to allow participants to attend the meeting.

Mr. John B. Castelino of the Division of Life Sciences, who is the Project Officer for the Programme and the Scientific Secretary for the meeting, has discussed this matter informally with Professor Andre Deelder of Laboratorium voor Parasitologie, Faculteit der Geneeskunde, Rijksuniversiteit te Leiden, Wassenaarseweg 62, Postbus 9605, 2300 RC Leiden (Tel. 0031-071-27 6866).

Should your Government wish to host the meeting in question, I should appreciate receiving in writing your Government's agreement on the above enumerated points as soon as possible so as to enable the Secretariat to proceed with timely arrangements.

Accept, Sir, the assurances of my highest consideration.

Vienna, 8 July 1988

Sir,

I have the honour to acknowledge receipt of your letter of 21 March 1988, ref. E1-RC-385, which reads as follows:

(Zoals in Nr. I)

I have the honour to inform you that my Government is prepared to host the meeting in question. My Government considers your letter and my reply as an agreement between the Kingdom of the Netherlands and the International Atomic Energy Agency, which shall enter into force on the date of this reply and shall remain in force for the duration of the meeting and for such additional period as is necessary for its preparation and winding up, the total duration of this agreement however not to exceed one year.

Please accept, Sir, the assurances of my highest consideration.
