VAN HET

KONINKRIJK DER NEDERLANDEN

JAARGANG 1991 Nr. 69

A. TITEL

Briefwisseling tussen de Regering van het Koninkrijk der Nederlanden en de Internationale Organisatie voor Atoomenergie houdende een overeenkomst inzake een bijeenkomst van 21 tot en met 25 mei 1991 betreffende „Improved Detection Systems and Techniques, and Applications of Short-lived Radiotracers in Industry”;
Wenen, 25 januari/26 maart 1991

B. TEKST

Nr. I

INTERNATIONAL ATOMIC ENERGY AGENCY

333-F2-AG-754

25 January 1991

Sir,

I have the honour to inform you that the Secretariat of the International Atomic Energy Agency is planning to hold an Advisory Group Meeting on "Improved Detection Systems and Techniques, and Applications of Short-lived Radiotracers in Industry", from 21 to 24 May 1991. The purpose of the meeting is to review the recent advances in radiotracer techniques such as development of improved detection systems and spectrometric and tomographic techniques and use of short-lived high photon yielding radiotracers. The duration of the meeting will be four days. Nine persons (from Australia, the Czech and Slovak Federal Republic, Germany, France, The Netherlands, Poland and the United States of America) are expected to attend.

I have the honour to enquire whether your Government would wish to host the meeting in question, and if so, whether your Government would agree to make the following arrangements.

1. The Government of The Netherlands will accord to the Agency, its property, funds and assets, to the officials of the Agency and participants officially designated to attend the meeting in their official capacities, and to members of the immediate families of such persons, the privileges and immunities established by the Agreement on the Privileges and Immunities of the IAEA which was accepted by the Government on 29 August 1963.

2. The Government will accord to officials and participants mentioned above every facility necessary for the performance of their function in connection with the meeting, including entering, remaining in and leaving The Netherlands. The Government will issue any necessary visas as expeditiously as possible and, where the legislation of The Netherlands permits, free of charge. Annex A contains the list of Member States to be invited to participate.

The Agency will inform the Government promptly of all persons officially designated to attend the meeting. The Agency will also advise such persons to apply for visas, if necessary, in good time before the opening date of the meeting, and the Host Government is expected to issue such visas promptly so as to allow participants to attend the meeting.

3. The Government will facilitate customs formalities for those persons on entering and leaving The Netherlands.

4. The Government will make available to the Agency, without charge, and for the entire duration of the meeting, premises and facilities adequate and appropriate for the meeting, as listed in Annex B.

5. The Government will exercise reasonable care to ensure security on the premises in which the meeting takes place and to ensure the safety of the officials of the Agency and participants while on the premises of the meeting. The Government will take whatever steps may be reasonable in the circumstances to ensure such security and safety, including such supervision of the premises as may be warranted.

Mr. R. S. Mani of the Division of Physical and Chemical Sciences, who is the Agency's Scientific Secretary of the meeting, has discussed this matter with Mr. Z. I. Kolar, Delft University of Technology, Department of Radiochemistry, Delft, who has, on an informal basis, indicated his willingness to assist the Agency in holding this meeting at his institute.

Should your Government wish to host the meeting in question, I would be grateful if you would inform me in writing of your Government's agreement on the above enumerated points as soon as possible so as to enable the Secretariat to proceed with timely arrangements.

Accept, Sir, the assurances of my highest consideration.

Nr. II

212

Vienna, 26 March 1991

Sir,

I have the honour to acknowledge receipt of your letter of 25 January 1991, no. 333-F2-AG-754 which reads as follows:

(Zoals in Nr. I)

I have the honour to inform you that my Government is prepared to host the meeting in question. My Government considers your letter and my reply as an agreement between the Kingdom of the Netherlands and the International Atomic Energy Agency, which shall enter into force on the date of this reply and shall remain in force for the duration of the meeting and for such additional period as is necessary for its preparation and winding up, the total duration of this agreement, however, not to exceed one year.

Please accept, Sir, the assurances of my highest consideration.
