KONINKRIJK DER NEDERLANDEN

JAARGANG 1994 Nr. 202

A. TITEL

Briefwisseling tussen de Regering van het Koninkrijk der Nederlanden en de Internationale Organisatie voor Atoomenergie houdende een verdrag inzake een bijeenkomst van 28 tot en met 29 november 1994 betreffende „Development Status of Modular HTGRS and their Future Role”;
Wenen, 30 mei/22 juli 1994

B. TEKST

Nr. I

INTERNATIONAL ATOMIC ENERGY AGENCY

622-13-TC-389.37

1994-05-30

Sir,

I have the honour to inform you that the Secretariat of the International Atomic Energy Agency (IAEA) is planning to hold a Technical Committee on "Development Status of Modular HTGRs and their Future Role" from 28-29 November 1994.

The purpose of the meeting is to review the status of national activities in gas-cooled reactor development especially examining the past and present experience from operation of gas-cooled reactors, the incorporation of this experience into current advanced designs, the future prospects for advanced GCRs and the role of governments and other funding organizations in their development. Dr. A. van Heek of the Energy Research Center (ECN), Petten, Netherlands, Fax: 0031 2246 3490, tel: 0031 2246 4082 has informally expressed interest in hosting the meeting at ECN from 28-29 November 1994.

About 60 persons from 15 countries and two international organizations are expected to attend. The Scientific Secretary of the meeting will be Mr. John Cleveland of the Division of Nuclear Power, IAEA.

I have the honour to enquire whether your Government would wish to host the meeting in question, and if so, whether your Government would agree to make the following arrangements.

1. The Government of the Netherlands will accord to the IAEA, its property, funds and assets, and to the officials of the IAEA and participants officially designated to attend the meeting in their official capacities, and to members of the immediate families of such persons, the privileges and immunities contained in the Agreement on the Privileges and Immunities of the IAEA which was accepted by the Government on 29 Augustus 1963.

2. The Government will accord to officials and participants mentioned above every facility necessary for the performance of their function in connection with the meeting, including entering, remaining in and leaving the Netherlands. The Government will issue any necessary visas as expeditiously as possible and, where the legislation of the Netherlands permits, free of charge. Annex A contains the list of Member States and International Organizations to be invited to participate.

The IAEA will inform the Government promptly of all persons officially designated to attend the meeting. The IAEA will also advise such persons to apply for visas, if necessary, in good time before the opening date of the meeting, and the Host Government is expected to issue such visas promptly so as to allow participants to attend the meeting.

3. The Government will facilitate customs formalities for those persons on entering and leaving the Netherlands.

4. The Government will make available to the IAEA, without charge, and for the entire duration of the meeting, premises and facilities adequate and appropriate for the meeting, as listed in Annex B.

5. The Government will exercise reasonable care to ensure security on the premises in which the meeting takes place to ensure the safety of the officials of the IAEA and participants while on the premises of the meeting. The Government will take whatever steps may be reasonable in the circumstances to ensure such security and safety, including such supervision of the premises as may be warranted.

Should your Government wish to host the meeting in question, I would be grateful if you would inform me in writing of your Government's agreement on the above enumerated points by as soon as possible so as to enable the Secretariat to proceed with timely arrangements.

Accept, Sir, the assurances of my highest consideration.
