INTERNATIONAL ATOMIC ENERGY AGENCY

622-13-RC-656.2

1998-09-09

Sir,

I have the honour to inform you that the Secretariat of the International Atomic Energy Agency (the Agency) is planning to hold a Research Co-ordination Meeting (RCM) for participants in the Coordinated Research Project (CRP) on “Use of Th-based Fuel Cycle in Accelerator Driven Systems (ADS) to Incinerate Pu and to Reduce Long-term Waste Toxicities”, on 2 to 4 December 1998.

The purpose of the meeting is to:

- present results obtained during the second stage of the CRP;
- elaborate a study plan for the third stage of the CRP;
- discuss further Agency activities on ADS and its fuel cycle option.

Approximately 20 scientists from 13 countries and one International Organization are expected to attend the meeting.

The representative of the Netherlands in this CRP Mr. Harm GRUPPELAAR, Netherlands Energy Research Foundation, ECN Nuclear En-

ergy (Westerduinweg 3, P.O. Box 1, NL-1755 ZG PETTEN, The Netherlands, Tel: 31 224 56 40 83. Fax: 31 224 56 3490, E-mail: gruppelaar@ecn.nl) has informally indicated that your Government would in principle be willing to host this meeting in Petten.

I now have the honour to enquire whether the Government of the Netherlands would wish to host the meeting in question, and if so, whether it would agree to make the following arrangements:

1. The Government of the Netherlands will accord to the Agency, its property, funds and assets and, to its officials and participants officially invited by the Director General of the Agency to attend the meeting in their official capacities, and to members of the immediate families of such persons, the privileges and immunities contained in the Agreement on the Privileges and Immunities of the International Atomic Energy Agency which was accepted by the Host Government on 29 August 1963.

2. The Government will accord to the officials and participants mentioned above every facility necessary for the performance of their functions in connection with the meeting, including entering, remaining in and leaving the Netherlands. The Government will issue any necessary visas as expeditiously as possible and, where the legislation of the Netherlands permits, free of charge. The Government, however, reserves the right to deny, irrespective of nationality, visas to individual participants for national security reasons. Annex A contains the list of Member States to be invited to participate.

The Agency will inform the Government promptly of all persons officially designated to attend the meeting. The Agency will also advise such persons to apply for visas, if necessary, in good time before the opening date of the meeting, and the Host Government is expected to issue such visas promptly so as to allow participants to attend the meeting.

3. The Government will facilitate customs formalities for those persons on entering and leaving the Netherlands.

4. The Government will make available to the Agency, without charge, and for the entire duration of the meeting, premises and facilities adequate and appropriate for the meeting, as listed in Annex B.

5. The Government will exercise reasonable care to ensure the security on the premises in which the meeting takes place and to ensure the safety of the officials of the Agency and participants while on the premises of the meeting. The Government will take whatever steps may be reasonable in the circumstances to ensure such security and such safety, including such supervision of the premises as may be warranted.

Should your Government wish to host the meeting in question, I would be grateful if you would inform me in writing of your Government's agreement on the above enumerated points by 10 October 1998 so as to enable the Secretariat to proceed with timely arrangements.

Accept, Sir, the assurances of my highest consideration.
