JAARGANG 1999 Nr. 60

A. TITEL

Briefwisseling tussen de Regering van het Koninkrijk der Nederlanden en de Internationale Organisatie voor Atoomenergie houdende een verdrag inzake een „Technical Committee Meeting on PSA Applications” te Nederland van 21–25 juni 1999; Wenen, 17 december 1998/15 februari 1999

B. TEKST

Nr. I

J4-TC-1103

17 December, 1998

Sir,

I have the honour to inform you that the Secretariat of the International Atomic Energy Agency (the Agency) is planning to hold a “*Technical Committee Meeting on PSA Applications*”, *from 21 to 25 June 1999*. The purpose of the meeting is to compile information regarding the status of development, in the Member States, of the different tools based on probabilistic safety assessment (PSA) and how these tools are used to support safety and operational decisions at the nuclear power plants and, based on this, to provide advise to the IAEA on which are the PSA applications that have the largest impact on NPP safety and thus, on how to focus future efforts in this field. About 30 persons from 20 countries are expected to attend.

I have the honour to enquire whether the Government of the Netherlands would wish to host the meeting in question, and if so, whether your Government would agree to make the following arrangements:

1. The Government of the Netherlands will accord to the Agency, its property, funds and assets and, to the officials of the Agency and parti-

pants officially designated to attend the meeting in their official capacities, the privileges and immunities contained in the Agreement on the Privileges and Immunities of the International Atomic Energy Agency which was accepted by the Government on 29 August 1963.

2. The Government will accord to officials and participants mentioned above every facility necessary for the performance of their function in connection with the meeting, including entering, remaining in and leaving the Netherlands. The Government will issue any necessary visas as expeditiously as possible and, where the legislation of the Netherlands permits, free of charge.

The Government, however, reserves the right to deny, irrespective of nationality, visas to individual participants for national security reasons. Annex A contains the list of Member States to be invited to participate.

The Agency will inform the Government promptly of all persons officially designated to attend the meeting. The Agency will also advise such persons to apply for visas, if necessary, in good time before the opening date of the meeting, and the Host Government is expected to issue such visas promptly so as to allow participants to attend the meeting.

3. The Government will facilitate customs formalities for those persons on entering and leaving the Netherlands.

4. The Government will make available to the Agency, without charge, and for the entire duration of the meeting, premises and facilities adequate and appropriate for the meeting, as listed in Annex B.

5. The Government will exercise reasonable care to ensure security on the premises in which the meeting takes place and to ensure the safety of the officials of the Agency and participants while on the premises of the meeting. The Government will take whatever steps may be reasonable in the circumstances to ensure such security and safety, including such supervision of the premises as may be warranted.

Should your Government wish to host the meeting in question, I would be grateful if you would inform me in writing of your Government's agreement on the above enumerated points by 29 January 1998 so as to enable the Secretariat to proceed with timely arrangements.

Accept, Sir, the assurances of my highest consideration.
