INTERNATIONAL ATOMIC ENERGY AGENCY

Vienna, 2018-02-12

Ref EVT1703940

Excellency,

I have the honour to inform you that the International Atomic Energy Agency (IAEA) is planning to hold a Regional Workshop on the Physical Protection of Nuclear Material and Nuclear Facilities from 15 to 26 October 2018. The purpose of the workshop is to establish awareness of the need for an integrated system of physical protection of nuclear material and nuclear facilities that is effective against such threats as radiological sabotage and theft of nuclear material. The event will be conducted in English. Approximately 25 participants from the Member States listed in Annex A are expected to attend, as well as representative(s) from the IAEA.

Informal discussions held with Mr Robertus Kossen from the Authority for Nuclear Safety and Radiation Protection have indicated that suitable premises and facilities could be made available in Delft.

I have the honour to enquire whether the Government of the Kingdom of the Netherlands (hereinafter referred to as the “Government”) would wish to host this meeting and, if so, whether the Government would agree to make the following arrangements:

1. The Agreement on the Privileges and Immunities of the International Atomic Energy Agency (“the Agreement”), which was accepted by the Government on 29 August 1963 shall be applicable in respect of the meeting. In particular, officials of the IAEA participating in, or performing functions in connection with, the meeting shall enjoy the privileges and immunities provided under Articles VI and IX of the Agreement. Representatives of States shall enjoy the privileges and immunities accorded under Article V of the Agreement. Participants invited by the IAEA to attend the meeting shall enjoy the privileges and immunities accorded to experts on mission for the IAEA provided under Article VII of the Agreement. The property, funds and assets of the IAEA associated with the meeting shall enjoy the privileges and immunities accorded under Article III of the Agreement.
2. The Government will accord to the persons mentioned in paragraph 1 above every facility necessary for the performance of their functions in connection with the meeting, including entering, remaining in and leaving the Kingdom of the Netherlands. The Government will issue any necessary visas as expeditiously as possible and, where the legislation of the Kingdom of the Netherlands permits, free of charge. The Gov-

ernment, however, reserves the right to deny, irrespective of nationality, visas to individual participants for national security reasons. Annex A contains the list of Member States to be invited to participate in the meeting.

The IAEA will inform the Government promptly of all persons officially designated to attend the meeting. The IAEA will also advise such persons to apply for visas, if necessary, in good time before the opening date of the meeting, and the Government is expected to issue such visas promptly so as to allow them to attend the meeting.

3. The Government will facilitate customs formalities for the persons mentioned in paragraph 1 above when they enter and leave the Kingdom of the Netherlands.
4. The Government will, at no cost to the IAEA, make adequate and appropriate premises, personnel and facilities available for the entire duration of the meeting as listed in Annex B.
5. The Government will exercise reasonable care to ensure security on the premises where the meeting takes place and to ensure the safety of the persons mentioned in paragraph 1 above while they are on those premises. The Government will take whatever steps may be reasonable in the circumstances to ensure such security and safety, including such supervision of the premises as may be warranted.

Mr Douglas Shull of the Division of Nuclear Security has been appointed Scientific Secretary of the meeting. Ms Eva Rados of the Division of Nuclear Security will be responsible for the administrative organization of the meeting.

Should your Government wish to host this meeting, I would be grateful if you would inform me in writing of your Government's agreement to the above-enumerated points by 3 April 2018 so as to enable the Secretariat to proceed with timely arrangements.

Accept, Excellency, the assurances of my highest consideration.

JUAN CARLOS LENTIJO
Deputy Director General
Head of the Department of Nuclear Safety and
Security

PERMANENT MISSION OF THE KINGDOM OF THE NETHERLANDS TO THE UNITED NATIONS ORGANISATIONS IN VIENNA

3 July 2018

Ref EVT1703940

Dear Mr. Lentijo,

I have the honour to refer to your letter reference EVT1703940 of 12 February 2018, relating to an Agreement to be concluded between the Government of the Kingdom of the Netherlands and the International Atomic Energy Agency (IAEA) concerning the Regional Workshop on the Physical Protection of Nuclear Material and Nuclear Facilities, to be held in Delft, the Netherlands, from 15 to 26 October 2018, which reads as follows:

(Zoals in Nr. I)

I am authorized by the Government of the Kingdom of the Netherlands to state that it agrees to the proposals regarding the organisation of the Regional Workshop. Further, I am authorized to state that the Government of the Kingdom of the Netherlands considers your letter and this reply as together constituting an Agreement between the Government of the Kingdom of the Netherlands and the IAEA concerning the Regional Workshop on the Physical Protection of Nuclear Material and Nuclear Facilities, which shall enter into force on the date of this reply and shall remain in force for the duration of the regional Workshop and for such additional period as is necessary for its preparation and winding up, the total duration of this Agreement, however, not to exceed one year.

Furthermore, the Government acknowledges the arrangements implementing this Agreement that were made between the IAEA and the Netherlands Authority for Nuclear Safety and Radiation Protection.

Please accept, Sir, the assurances of my highest consideration.
