B. TEKST

Nr. I

INTERNATIONAL ATOMIC ENERGY AGENCY

Vienna, 30 October 2025

Reference: TN-RER6043-2503808

Excellency,

I have the honour to refer to earlier consultations, at the technical level, between the Secretariat of the International Atomic Energy Agency (IAEA) and representatives of your Government concerning the organization of the Regional Training Course on Practical Aspects of Paediatric Radiotherapy: Module I (hereinafter referred to as “event”) in Utrecht, the Netherlands, from 15 to 19 December 2025 within the framework of the IAEA technical cooperation project RER6043, “Supporting Member States in Enhancing Cancer Management through Rays of Hope”.

The purpose of the event is to train the participants in the practical aspects of paediatric radiotherapy.

Approximately 45 participants from the Member States listed in Annex A are expected to attend, as well as two representatives from the IAEA.

I have the honour to enquire whether the Government of the Kingdom of the Netherlands (hereinafter referred to as the “Government”) would wish to host this event and, if so, whether the Government would agree to make the following arrangements:

1. The Agreement on the Privileges and Immunities of the International Atomic Energy Agency (“the Agreement”), which was accepted by the Government on 29 August 1963, shall be applicable in respect of the event. In particular, officials of the IAEA participating in, or performing functions in connection with, the event shall enjoy the privileges and immunities provided under Articles VI and IX of the Agreement. Representatives of States shall enjoy the privileges and immunities accorded under Article V of the Agreement. Experts invited by the IAEA to attend the event shall enjoy the privileges and immunities accorded under Article VII of the Agreement. The property, funds and assets of the IAEA associated with the event shall enjoy the privileges and immunities accorded under Article III of the Agreement.
2. The Government shall accord to the persons mentioned in paragraph 1 above every facility necessary for the performance of their functions in connection with the event, including entering, remaining in and leaving the Kingdom of the Netherlands. The Government shall issue any necessary visas as expeditiously as possible and, where the legislation of the Kingdom of the Netherlands permits, free of charge. The Gov-

ernment, however, reserves the right to deny visas to individual participants in accordance with the rules and regulations applicable in the Kingdom of the Netherlands, including the Visa Code of the European Union. Annex A contains the list of Member States to be invited to participate in the event.

The IAEA shall inform the Government promptly of all persons officially designated to attend the event. The IAEA shall also advise such persons to apply for visas, if necessary, in good time before the opening date of the event, and the Government is expected to issue such visas promptly so as to allow them to attend the event.

3. The Government shall facilitate customs formalities for the persons mentioned in paragraph above when they enter and leave the Kingdom of the Netherlands, as well as for the equipment, training material and publications being provided by the IAEA, in accordance with the processes and procedures applicable in the Netherlands.
4. The Government shall, at no cost to the IAEA, make adequate and appropriate premises, personnel and facilities available for the entire duration of the event.
5. The Government will exercise reasonable care to ensure security on the premises where the event takes place and to ensure the safety of the persons mentioned in paragraph 1 above while they are on those premises. The Government will take whatever steps may be reasonable in the circumstances to ensure such security and safety, including such supervision of the premises as may be warranted.
6. Any difference or dispute arising in connection with the undertakings entered into by the Government and the IAEA in connection with the event shall be resolved exclusively through consultations between the Government and the IAEA.

With regard to the organization and conduct of the event, I wish to propose the arrangements as set out in Annex B, which forms an integral part of the agreement.

Should your Government wish to host this event, this letter and your Government's letter in reply shall constitute an Agreement between the Kingdom of the Netherlands and the IAEA concerning the event, which shall enter into force on the date of your Government's reply and shall remain in force for the duration of the event and for such additional period as is necessary for its preparation and winding up. The total duration of this Agreement, however, shall not exceed one year.

I would be grateful if you would inform me in writing of your Government's agreement to the above-enumerated points, so as to enable the Secretariat to proceed with timely arrangements.

I would like to convey to you the IAEA's appreciation for your Government's contribution towards the technical cooperation programme.

Accept, Excellency, the assurances of my highest consideration.

HUA LIU
Deputy Director General
Head of the Department of Technical Cooperation

PERMANENT MISSION OF THE KINGDOM OF THE NETHERLANDS TO THE IAEA

Vienna, 17 November 2025

Dear Mr Liu,

I have the honour to refer to your letter of 30 October 2025 relating to an Agreement to be concluded between the Kingdom of the Netherlands, in respect of the European part of the Netherlands, and the IAEA concerning the IAEA Regional Training Course on Practical Aspects of Paediatric Radiotherapy: Module I, to be held in Utrecht, the Netherlands, from 15 to 19 December 2025, which reads as follows:

(Zoals in Nr. I)

I am authorized by the Government of the Kingdom of the Netherlands to state that it agrees to the proposals formulated in your letter of 30 October 2025 regarding the organization of the Workshop. Furthermore, I am authorized to state that the Government of the Kingdom of the Netherlands considers your letter and this reply as together constituting an Agreement between the Kingdom of the Netherlands, in respect of the European part of the Netherlands, and the IAEA concerning the IAEA Regional Training Course on Practical Aspects of Paediatric Radiotherapy: Module I, which shall enter into force on the date of this reply and shall remain in force for the duration of the event and for such additional period as is necessary for its preparation and winding up. The total duration of this Agreement, however, shall not exceed one year.

Please accept, Sir, the assurances of my highest consideration.
